-At 702,
- At 7 '02, Cosmo's ear swirl gets broken up. Please re-clean, re-Xerox and re-shoot. Otherwise, the entire ID looks great, Logo and all. Excellent job!
Don't change anything else, just please fix his ear. Thank you very much!

English Version:
7.02, In the high light ray goes out in Cosmo's ear..
Please clean it up again, xerox it again, and reshoot.
Other than 2, DB's identity was very nice to see. The logo was great! Please do not change anything else and modify it.
